New business: Review 2021 Recreation Board Budget
Projected budget for 2021 complete
No increases necessary for any Recreation budget items

Major item that has been noted during previous months is pool resurfacing. Once 2020 pool season ends we will drain and resurface our main and wading pool

Completed:

Pool:

Replaced rotted post and leaky faucet at foot wash station in the pool area
Added additional pine straw to freshen the pool area
Mounted a first aid box (in between the bathrooms) and stocked with additional supplies
Cleaned, power washed and sanitized all pool pavilion tables, chairs and end tables
organized to 6' distances 3 chairs per table
Cleaned and power washed concrete patio area under pool pavilion

Pleasant Point Pavilion:

Removed old landscaping and added flowers (yuccas / lantanas) in the center bed
Power washed remaining sidewalk area near doggie station aprox 50'x4'

Fitness Center:

Repaired Hoist weight machine

Misc:

Schedule main and wading pool resurfacing once pool is closed - Have one quote from Sweetwater; requested ASM to gather 2 additional quotes
Evaluating different systems for key fob pool / gym entrance and ID's - spoke to current camera security company, looking at ROI.
Review Insurance policy with provider - under review with another company due July 31st; old policy is due Aug 1st.
Update: Continuing coverage with current Insurance provider

Future items:

Studying basketball and tennis court resurfacing - pushed out till end of year or next year

Bathroom renovations at pool pavilion. Once the pool is closed we will paint and tile the floor

Evaluating cost / looking at replacing picnic tables inside the Pleasant Point Pavilion
